

Information for PIPS Workshop 2025 attendees

Dear attendee,

Good day and thank you for your pre-workshop registration. The information you have provided certainly helps us in getting accurate information for our PIPS closed-door workshop.

This email aims to provide you with information to allow you to arrive safely at workshop venues daily.

For latest workshop schedule, please [visit the event registration website](#).

Attire : Usual smart casual working attire.

What to bring:

- Personal/Work laptops(if so requires) with suitable dedicated power adapter. The power supply voltage in Singapore is 220/230V AC. Singapore uses Type G power sockets, which are also used in the United Kingdom. Type G sockets have three rectangular pins in a triangular pattern.
- Any other personal electronic devices to ensure you can function comfortably for the entire work day.
- PIPS PO will not be able to provide any electronic devices or peripherals
- Any other personal items that you might need.

For attendees travelling to Singapore and not holding on to any Singapore issued ID cards, please be reminded of the following:

Your international passport and facial scanning are required at the security kiosk at Innovis lobby leading up to the meeting rooms on level 8.

Only a local telephone number is accepted at the kiosk. You may use our PIPS office telephone number 46070805 if required.

Access to the MPH does not require kiosk check in.

If you plan to use A*STAR's Guest-Wifi, the log in credentials will be shared via sms(only to a local Singapore mobile number) or via email.

Event Badges

Locate Your QR Code: After registering for the event, you should have received a confirmation email with your event pass QR code.

Arrive at the Event: When you arrive at the event venue, look for the registration or check-in area.

Scan Your QR Code: At the check-in area, there will be a kiosk or a staff member with a QR code scanner. Present your QR code (either on your mobile device or a printed copy) for scanning.

Print Your Badge: Once your QR code is scanned, the system will automatically print your event badge. The badge is a sticky type that can be safely pasted onto your top attire, making it easier to network with other attendees.

Reprint If Needed: If you need to reprint your badge at any time, you can do so at the check-in counter area.

Enjoy the event and make the most of your networking opportunities! If you have any other questions, feel free to ask.

Important FAQs

1. What are the entry requirements to enter Singapore?

Please refer to [Singapore's Immigration & Checkpoint's Authority \(ICA\)'s website](#) to get the latest information.

2. We are travelling from overseas and attending the workshop in Singapore. Do I have to register with the Singapore's Ministry of Manpower for a work pass exempt activity?

[You do not need to notify MOM to participate in the following activities for the duration of your Short Term Visit Pass in Singapore - Attend study tours or visits, training courses, workshops, seminars and conferences as a participant.](#)

3. Those who are unwell on any day during the workshop should not physically turn up and should see medical attention.

4. I have a strict dietary preference. How will my diet be taken care of?

We have noted on the dietary preferences of attendees who have indicated in their form submission and we will be ensuring that food selections cater to these preferences. However, there would be some limitations to meeting exceptional preferences for example diet of low protein, low fat, specific calorie content and as such. For these, we have sourced a caterer which offers healthy meals however we continue to seek your understanding to exercise personal discretion in selecting and consuming the food served appropriate to your needs during the workshop.

5. I may not attend all days in the workshop and there was no option to select the days to attend OR I am not sure which days to attend.

We would encourage you to check with the respective workstream leads to find out your exact participation. If still in doubt, you may reply to this email to ask.

6. How do I gain access to the internet via WIFI during the workshop?

Guests can temporarily gain WIFI access via "A-STAR Guest" wifi network. There will be clear instructions on your device screen and wifi connections lasts for 24 hours for each successful log in. Access to a local Singapore mobile line number will be very helpful.

7. What is the household consumer power supply voltage in Singapore?

It is 220/240V.

8. Can I get a complimentary parking if I am driving?

Unfortunately we are unable to proceed with provision of such privilege for now. We encourage the use of public transport.
